Otto Low Bidder For Construction Of New CHP Plant

James F. Otto, Inc., with headquarters in Sacramento and offices at Tahoe City, was low bidder for the construction of the new highway patrol building in Truckee. This was disclosed Tuesday when the bids were opened in Sacramento.

The bid was for $235,900 and was the lowest of six submitted.

The building will be a one-story concrete block and frame structure with attached garage units, having a combined floor space of 9,700 square feet. It will be located on State Route 89 just north of the freeway in Gateway Park.

Construction will include site preparation, grading and paving, link fence, planting and sprinkler system, plumbing, painting and electrical work.

It is hoped to have the building ready for occupancy late this year and it will house the department of motor vehicles offices as well as the highway patrol.

The structure will replace the one currently occupied by the state offices nearby, which has been used for the past ten years but which was sold by the owner to the Christian Science Church. This structure will be rebuilt for church purposes as soon as it is vacated by the patrol.

Silver Belt Trophy Race On Saturday

NORDEN—Some of the world's leading skiers will take part in the 24th annual Silver Belt Trophy Race and Buddy Werner Memorial Slalom at the Sugar Bowl April 16 and 17, competing in what is described as the oldest trophy ski race in the United States.

The Silver Belt race originated in Sierra County in 1854. Corfutt's New Overland Tourist and Pacific Coast Guide, published in 1879, says:

"In Sierra County, California, where the snow often falls to a depth of 10 to 12 feet, the snowskate is a great favorite, becoming the source of pleasant recreation on moon-lit evening—visits from 10 to 15 miles being made after tea and returning the same evening. Here too, snow-skating forms one of the most popular pastimes—racing. A belt studded and set with silver becomes the prize of the successful racer."

Last year's winners were Rod Hebron of Canada, Phillippe Mollard of France and Peter Duncan of Canada, while for the women, Jean Saubert of the United States, Cathy Allen and Linda Meyers of Mammoth were the winners.

J. B. McIntosh is chairman of the race committee again this year.

Four Babies Born At Local Hospital

Tahoe Forest Hospital nursery was occupied by the following new arrivals during the wek: Brandon Guy, son of Mr. and Mrs. Michael Hughes of Tahoe City. April 1 was Brandon's birth date and he tipped the scales at 3 pounds, 13 ounces.

Mr. and Mrs. Werner Schuster of Tahoe City welcomed son Stephen on April 3 who weighed in at 8 pounds, 15½ ounces.

Barbara Anne, daughter of Mr. and Mrs. Harlan Elam also arrived on April 3, her first weight 6 pounds, 1½ ounces.

Mr. and Mrs. Allan Kydd named their son, born April 5 Richard Allan. The little boy's weight on arrival was 5 pounds, 11½ ounces.

COACH WILL SPEAK AT SCHOOL BANQUET

Joseph E. Carlson, head basketball coach at the University of California at Davis, will be the guest speaker at the annual Block T banquet of Tahoe Truckee High School, to take place April 15 at the Crystal Bay Club.

The affair that promises to be an event of interest and to be well attended, will convene at 7 p. m., with donations reasonably set at $2.50 per person.

CLOSE SCORES ARE FEATURED IN GAMES

The shuffleboard tournament held at Smart's each week is showing close competition with the final games to be played next week.

The men's league play each Tuesday, shows Reg Smart leading with 123 points, followed by Jerry Cardinal with 122. The high team consists of Ken Leahy and Dick Higgins first plying against Doug Watkins and Tony Videgar.

The women's team, playing Wednesday is close with Jean Scanlon and Georgiana King tied for high with 109 points and Marcella Corro a close second with 108.

Those interested in starting a new tournament may contact Reg or Arlene Smart or Jerry Cardinal.

Fishing Fabulous As Season Opens On Donner Lake

The fishing on Donner Lake was exceptionally good on the opening weekend and continues to give good returns to the hundreds of nimrods.

The kokanee were running wild and many limits were taken, according to Game Warden Charles Spillner who with Captain Hugh Thomas of Marysville kept a close watch on the fishermen throughout the weekend. Despite this, there were no violations recorded.

Duffy Midyett was the star of the opening, landing a 21½ pound mackinaw while deep trowling.

A number of good limits of rainbow were caught by the shore fishermen, but the kokanee was a surprise to the boatmen, everyone apparently having excellent results.

There was some spots of ice on the lake Saturday but the warm weather has cleared this hazard completely, Spillner said.

The regular trout season in this district does not open until April 30.

Five Events Are Slated By Group

At least five interesting events are being planned by the North Lake Tahoe Chamber of Commerce, according to their latest bulletin, issued by Mrs. Betty Layton, secretary.

The California State convention of postmasters will be held at Squaw Valley from May 23 to 27 and between 300 and 350 postmasters are expected to attend.

A convention of supervisors from the Sacramento and Mother Lode area will be held at Lake Tahoe during the latter part of May, the exact date to be announced.

Squaw Valley will be the scene of the Northern California Firemen's Association conference from June 3 to 5.

The third annual fly-in will be held at the Truckee Tahoe Airport June 18 and 19, with hundreds of visiting aviators as well as a well rounded program for non-flyers.

Preparations are being made for the Trevis Cup 100-mile horse ride from Tahoe City to Auburn on July 3.

These and a number of other events for the early summer are being programmed.

FREE STATE HIGHWAY MAPS AVAILABLE

The newly published official California highway map, prepared for free distribution by the California State Department of Public Works, is now available locally.

The multicolored map, 18x35 inches, is declared to be the most complete and authentic map ever published, designating all roads, a mileage chart, illustrations, signs you should know and other valuable information.

Free copies are now available at the quarantine station, Robert Roth, in charge, said, and those wishing a copy have but to drop by and request one.

TWO INJURED IN CAR MISHAP ON BRIDGE

Two men suffered minor injuries in an accident on a bridge near Floriston Tuesday at noon.

Leo A. Havener, 63, Lafayette, driving east struck the rear end of a state division of highways mobile sweeper, operated by Titus C. Carter, 52, Auburn.

Both vehicles were damaged and the two drivers were taken to Tahoe Forest Hospital for treatment by the highway patrol.

BRINER FOR SENATE DINNER ON APRIL 17

The "Bill" Briner for Senator Committee invites the community to a "Fun Raiser" dinner dance, Sunday, April 17, at the Olympic Hotel in Squaw Valley. The cocktail hour begins at 6 p. m. with dinner at 7:30 p. m.

The Tom Bordenae band will provide live music during the evening. Tickets are on sale for $10, obtainable from Mrs. Joseph Joynt, Box 299, Tahoe City, or from Charles Fink, Loynd's Drug Store, Truckee.

Several Contests Loom At Primary Election June 7th

In addition to statewide and legislative races, both Placer and Nevada Counties will feature spirited contests for county offices in the June 7 primary election. The respective county clerks, Maurine I. Dobbas and Theo. A. Kohler, remind potential voters in the Tahoe, Donner, Truckee and Squaw Valley area that they must be registered no later than April 14—next Thursday—to vote in the primary.

In Nevada County, Leo J. Todd is challenging Harold Berliner's bid for another term as district attorney. Elton Tobiassen is running against Charles Kitts, incumbent assessor. John Trauner, county auditor-controller, faces Herbert Dondini. Schools superintendent Edward Fellersen, Kohler, Sheriff Wayne Brown, Treasurer Tax Collector Leland Twitchell and Public Administrator Albert Ahearn have no opponents.

Three candidates vie to succeed Placer County Assessor Lloyd S. Geraldson, who did not seek re-election. These are Robert Williams of Auburn, Frank Chilton and Lawrence Gregory, both of Roseville. Veteran Schools Superintendent Albert Bequette is opposed by Kenneth Lonergan, Roseville school principal. George J. Quigley, Auburn, and John Krpan, Roseville, make a three-cornered race out of it in running against Recorder Clayton Goodpastor.

All other county-wide incumbents have what is known politically as a "free ride," being the only candidates for their present posts.

Constables N. F. Dolley of Truckee and Harry Johanson of Tahoe City also are unopposed, with filing closed last week.

Permits Required For Road Useage

Encroachment permits are needed. They are for the purpose of protecting the health, welfare and safety of the public.

Jack M. Meade, director of the department of public works, reminds the public that encroachment permits are required by any person, firm or corporation for the following reasons: construction of roads, operating tractors and hauling wide loads on county roads; doing work on county roads—including any pipe, pipeline, culvert, driveway, private road, or any structure or object placed in, under or over any portion of the county road.

Any person, firm or corporation violating any of the provisions set forth in this ordinance shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined not less than $25 nor more than $100, or by imprisonment in the county jail for not more than 30 days, or both such fine and imprisonment.

The requirement for these permits was ordained by the Nevada County Board of Supervisors in Ordinance No. 199 passed on April 20, 1955.

Permits may be obtained, without charge, from the department of public works, courthouse, Nevada City, California, or from Edward Frates, Truckee.

TAHOE FIRE LOSS IS ESTIMATED $30,000

TAHOE CITY—Fire Chief Al Henry has estimated damage at $30,000 in a fire which destroyed the upper story of a home at Tahoe City on Wednesday last week. Beside fire loss, there was smoke and water damage on the lower floor, the chief pointed out.

The blaze was discovered by Mrs. Leslie Lane Guilford who, with her husband, resided in the home. A faulty heater may have been the cause.

The entire second floor was involved and flames were spurting through the roof when enqipment reached the scene in the Sunnyside area, south of here, the chief said.

RECESS TO END

Following a week's vacation, the classes in the Tahoe Truckee High School, as well as other schools and colleges in Northern California, will resume classes Monday, April 11.

Wife Of Doctor Is Killed In Mishap At Tahoe Resort

CRYSTAL BAY—A woman identified as Dolores Watson, 36, of Fremont, Calif., was killed Saturday night when she was hit by a car in front of a resort on the north shore of Lake Tahoe. The impact hurled her through the plate glass window of the casino, which was crowded with patrons.

Her husband, David, was with her at the time of the fatal accident but, according to officers, suffered no physical injury. He was, however, reportedly suffering from shock.

The driver of the vehicle involved was identified as Cecil M. Moore, 56, of Reno. He was taken to Washoe Medical Center for examination. Sheriff's officers placed a police "hold" against him pending completition of their investigation.

The accident occurred at about 9:15 p. m. Saturday. The automobile did not crash into the building.

Dr. Watson, 38, an anaethesiologist, practiced in Oakland and his wife had been a registered nurse and formerly taught nursing in their home state of Illinois.

The dead woman is survived by two daughters, Laurel, 8, and Lynne, 4, who had been left with a baby sitter. An infant was left with Dr. Watson's parents in Fremont.

April 14 Is Final Day For Voter Registery

Voters are again reminded that next Thursday, April 14, is the final date to register and qualify to vote at the June 7 primary.

For the benefit of those who have found it inconvenient or impossible to register previously, Fred Hodder, county liaison officer, said that his office in the county building will remain open betwee 7 and 9 p. m. on April 14.

LAKE ROTARY EGG HUNT SUNDAY TO FOLLOW PICTURES

KINGS BEACH—The Rotary Club members of North Lake Tahoe are planning their annual Easter Day treat for the children of Kings Beach and Incline Village area, from pre-school age through the fifth grades.

George Hansen announced this week that free moving pictures will be shown at 12 noon in Brockway Theater, then the youngsters will be transported by the club group to the egg hunting location nearby. This part of the eventful day will begin at 2 p. m., with awards given at the close of the festivities.

STATE OES OFFICIAL WILL SPEAK AT MEET

Diane Dixon of San Francisco, special station chairman of the Grand Chapter of California will be the guest speaker at the April 12 meeting of the Order of Eastern Star, to convene at 8 o'clock in the Masonic Temple at Truckee, according to Marge Walker, Worthy Matron of Truckee Chapter No. 16.

The distinguished visitor of the memorial cancer dressing fund committee will give an informative talk on the subject.

An initiation will be held at the meeting and all members are urged to attend. Refreshments will be served in the banquet room after the session.

HEUGA CAPTAIN OF U. S. SKI CHAMPS

The Sierra Nevada will have seven skiers competing in the world ski championships at Portillo, Chile, in August, including Jim Heuga, 22, a member of the Lake Tahoe Ski Club who has been named captain of the U. S. team.

Heuga of Tahoe City, is a student at the University of Colorado, bronze medalist of 1964 and one-time champion of the Bee Silver Belt racing.

Other members of the men's team include Billy Kidd, Vermont; Dennis McCoy, Bishop; Bill Marolt, Aspen; Walt Falk, Boise, Idaho; Jim Barrows, Steamboat Springs, Colorado; Jere Elliott, Steamboat Springs, Colorado and Don Brooks, Portland, Oregon.

County Plan May Provide Aid For Sewer Extension

Through the continuing efforts of Supervisor H. G. Loehr, the Nevada County Board of Supervisors Monday authorized a county plan designed to make the Truckee Sanitary District eligible for 70 per cent of the cost of the sewer line extension west of the present served area through the economic development act.

The county plan will be prepared by Planning Director William Roberts and submitted to the board of supervisors for final approval.

Under terms of the act, the district would be eligible for 70 per cent of the approximate $3.5 million neeeded for the project. Voters of the affected area have already proved a bond issue in the amount of $661,000 for start of the work and if the department of commerce approves the 70 per cent grant, a balance of only $339,000 will be required to complete the project.

It is expected that the sanitary board will delay action on starting the project until after the study has been made of the county plan and action is taken by the commerce department on the proposed application.

Roberts will start the study for the board shortly but it may be several months before a final answer can be given.

Disposal Service Leased By Stout

Harry Stout announced this week that he has leased his Truckee-Donner Disposal Service business effective April 1.

The new operator is John Bennett of Lodi, a former police officer in that San Joaquin County city, who, with his wife and four children has arrived to make their home in the Barak Wright house at Donner Lake.

Stout said that the lease was approved by the Truckee Sanitary District Board. He added that he would continue to hold his franchise for garbage collection in the fifth district of Nevada County and would continue to operate his wrecking yard, leasing only the facilities and contract in the sanitary district.

There will be no change in service or charges, Stout explained, the same crews being employed in the work.

STICKERS MUST BE ON CARS AT ONCE

SACRAMENTO — (CNS) — Automobile owners who do not have their 1966 stickers on their license plates are subject to be stopped by the California highway patrol and other law enforcement agencies.

Although the deadline for registration was February 4, it generally takes some time before the new registration is enforced. Tom Bright, state director of motor vehicles, notified all police and sheriff's departments and the CHP to begin checking vehicles on April 1.

SQUAW CHIEFS WIN IN HOCKEY CONTEST

RENO—Pouring on the steam in the final stanza, the Squaw Valley Chiefs demonstrated smooth skating and accurate shooting in a 5-2 win over the Los Angeles Astros in a semi-pro hockey game at the Centenial Coliseum Saturday night.

About 300 fans saw the rough-and-tumble contest that was not decided until Dennis Frohley stroked a key goal with 13 minutes gone in the third period.

Frohley was the man of the night for the Chiefs as he tallied two goals for one assist.

Shots by Bob Keltie and Rick Decarie aided the Squaw Vallley skate crew in grabbing a 3-1 lead with 14:31 remaining in the second period.

Lake Level

Daryl De Walt's office at Tahoe City checked the level of Lake Tahoe yesterday as 6227.52 feet, with 30 cf per second leaving the gates.

April 1 had the high temperature for the week of 65 degrees, to low of 30 degrees occurred on March 30.

Museum Proposed For New Park At Sugar Pine Point

Of great interest to all interested in preserving articles of Tahoe history was a letter received this week by Jack Domergue, president of the Greater North Lake Tahoe Chamber of Commerce, from Fred L. Jones, Director of the Department of Parks and Recreation of the State of California.

The letter read: "Thank you for your recent letter to me concerning the possibility of an historical exhibit at the newly acquired Sugar Pine Point property. Your letter certainly proved to be an amazing coincidence as our interpretive staff have just completed a building analysis and one of their recommendations is to preserve the General Phipps Cabin as an historical building and to use the interior to relate and interpret the history of the Lake Tahoe area. Of course, I cannot promise that this will be the final disposition of the building; however, the proposal is under active consideration and we look forward to developing an historical exhibit at Sugar Pine Point.

"Thank you very much for your interest in the development of our State Park System; and I assure you that if we can develop an historical exhibit we will be in contact with your organization, because I am sure you can 'put us on the track of historical records, photographs and artifacts which otherwise might not be available to us."

Another Deputy On Sheriff's Staff Here

Another deputy has been added to the Truckee squad of the sheriff's department, bringing the total number of men here to seven, Sergeant Roy Waters announced.

The latest addition to the squad is Al Woods, a recent member of the Oklahoma City Police Department, where he was in the detective division as well as the patrol. He also studied police procedure in the university.

Woods is married and he and Mrs. Woods have four children ranging in age from five to ten years.

The sheriff's budget provides for a total of nine deputies and still another will be added when the suitable applicant can be found.

CUSHING IS SUED IN ACTION FOR DIVORCE

AUBURN — Alexander Cushing, Squaw Valley resort owner, is being sued for divorce by his wife, Justine, in an action filed in Placer County superior court.

Mrs. Cushing is seeking provisions for support and education of two of their three daughters. The third was recently married. In a property settlement request, it is asked that 63,798 shares of the Squaw Vallely Development Co., which primarily includes the Squaw Valley Lodge and adjoining ski facities, be awarded to Cushing, along with $214,821 in company 7 per cent notes.

To Mrs. Cushing, the settlement awards 100 shares of General Electric stock, 282 shares of United Gas Corp. stock, 55,685 shares of Squaw Valley Development Co. stock and $102,972 in company 7 per cent notes. Some $25,000 in personal notes are to be paid by Cushing.

The couple was married in 1938 in Brookville, N. Y., and the suit indicated they separated February 17.

FOUR ARE INJURED IN HIT-RUN ACCIDENT

On March 30, two women and two young girls were injured in a hit-run accident on State Route 28 near Tahoe City, according to reports of the state highway patrol. The injured are Evelyn Nored, driver of the car in which the four were riding, and her children, Diana, 7, and Penny, 3, and Arlene Hanes.

Officers said an eastbound vehicle forced the Nored car off the road and into a ditch. The injured were treated by a private physician, none requiring hospital care.

The driver of the eastbound car was reported to have stopped briefly after the accident but left without identifying himself.

Such an accident, involving even slight injuries, is classified as felony hit-and-run.

Old Summit Road Is Opened By Crew

County road crews, under the direction of Foreman Edward Frates Tuesday opened old Highway 40 down Donner grade, plowing snow which was up to 12 feet in depth in places.

The county acquired the road last year after the completion of the new freeway.

Frates said that as soon as the old grade was opened hundreds of cars started using it, motorists taking pictures of the high snowbanks and admiring the view from the higher levels.

All county roads in this area are now open and clear, Frates said.

SKI CLUB TO NAME OFFICERS AT MEET

TAHOE CITY—The Lake Tahoe Ski Club will meet at the multi-purpose room on Tahoe Lake Elementary School on Friday, April 15, at 8 p. m. This meeting is especially important, since the principal item of business will be election of officers.

Special recognition will be awarded one of the outstanding members of the club, whose identity will be revealed at the meeting. In addition, two outstanding ski movies will be shown.

One is Warren Miller's "Snow Flyers," 10 minutes in color, showing jumping on the world's largest —467 feet—jumping hill. The second, 90-minute color film, will be Dick Barrymore's "Some Like It Cold." Critics acclaim this to be Barrymore's finest effort in filming of ski activities.

OAKLAND MAN HURT AS CAR OVER BANK

Troy W. Young, 52, Oakland, was taken to the Tahoe Forest Hospital at 4 p. m. Monday after his car collided with the rear of one driven by Richard D. Herdman, 41, Burlingham, near the state line and then plunged over the embankment 60 feet.

In another local accident Monday at 4:45 a. m., Michael Novak, 46, Donner Lake, was cited for hit and run after his pickup collided with three parked cars near Donner Lake. The other cars belonged to Mary Ward of Tiburon and two to O. W. Walker of Truckee. The Ward small foreign car was demolished.

MIKE COMOLA WILL ARRIVE FROM WAR

Mr. and Mrs. Nick Comola are happily waiting the arrival home of their son, Mike Comola of the U. S. Marine Corps helicopter division. He has taken part for 18 months in the active fighting in Viet Nam.

Young Comola, a former student at the local high school, is presently waiting orders at El Toro before being given leave. His enlistment will be complete this fall.

Sierra Skiing . . .

By VI WHITE

Perfect weather and good corn snow conditions have prevailed during the Easter week activities at all ski resorts.

Those who didn't ski and sneaked off to do some fishing at Donner Lake, when the season opened Saturdy, found that the ice melted just in time and some good catches were brought in.

The highly competitive international events that have been going on the past three weekkends, first at Stowe, Vermont, second at Sun Valley, Idaho, and the third at Heavenly Valley, gave our American racers good chances to show their ability against the Canadian, French, Swiss, Austrian and other European greats.

Skiing for Mammoth Mt. Wendy Allen and Penny McCoy gave the U. S. two firsts at the High Sierra Cup races last weekend.

Jim Heuga of Tahoe City had a third and two fourths, and came out in second place in the combined.

F. I. S. points were calculated after the last event and Coach Bob Beattie named the team to represent the United States at the World Ski Championships at Portillo, Chile, during the awards banquet at Harrah's Club Sunday night.

The team will compete in the Far West Kandahar races at Mt. Hood, June 9 to 12, then will leave for Chile on July 12 to prepare for the F. I. S. Championships there in August.

It was wonderful to see such European greats as Jean-Claude Killy, Karl Schranz, Georges Mauduit, Leo Lacrox, Marielle Goitschel, Anne Famose, Therese Obrecht and Christl Haas race in the United States and we certainly hope our young people do well when they race against them in Chile.

Last Wednesday, cannon fire resounded throughout the Alpine Meadows ski rea when each racer was blasted off down the Medics Slalom course. The Docs had quite a time getting througgh those tricky gates that were set with crutches instead of the usual bamboo poles.

To make this event even more colorful, the gatekeepers were nurses and when a racer fell, he was given a "transfusion" of win, or quickly bandaged and sent on his way.

Dr. H. J. Burhenne, an excellent skier from the San Francisco Children's Hospital had the fastest combined time of 52.8 seconds. Dr. Theodore Thedens of San Francisco was second with 63.6; Dr. Dick Leonard also of San Francisco, was third, 66.8.

Dr. David Grubman of Hayward had some trouble with the snow and caught an edge and was delayed with a time of 75.8.

Dr. Douglas Brodie of Tahoe City had the best first run but fell three times in the second and had difficulty finding the finish gate after three transfusions, time, 85.1.

Dr. Charles Arnold of Palo Alto posted 88.1, Dr. Edward Miller, San Rafael, 97.4 and Dr. Robert Burke, Walnut Creek, 98.5, said they were so busy dodging the nurses, that they missed gates for costly penalties.

Helping with the event were: course setter, Luggi Foeger; chief of course, Carson White; starter, Pete Heuga; timers, Elli Holman and Julian Bell; nurses, Hilda Mualazi, Nancy Brodie; Babette Haueisen; Pat Lawrence and Vi White.

Life photographers were on hand to record the event on film.

All doctors agreed that they had a terrific time and vowed to enter again next year.

* * *

Recreational skiers on the No. 3 slope where the race was held couldn't help laughing when they saw the racers coming down the course garbed in operating gowns, carrying medical bags and wearing with bandages.

* * *

Special Easter races, egg hunts, hat parades are being featured at most resorts this weekend and with such warm weather, skiing is best during the early morning hours and and the late afternoon.

* * *

The Werthein family of San Francisco won the family race at Alpine Meadows on Monday. Eighteen families entered the fun slalom

* * *

FWSA Junior racer, Jenny Strobel of Donner Lake has been the first water skier this season. She didn't even wait for the lake to be completely thawed and confined her skiing to the clear east end last week, but Monday she was at it again and had the whole lake to skim on.

You Can Deduct Some State, Local Taxes In Filing Federal Return

Taxpayers who itemize deductions on federal income tax returns can claim some state and local taxes as deductions.

District Director of Internal Revenue Joseph M. Cullen said these include real estate and personal property taxes, state income taxes, state gasoline taxes and general sales taxes.

Certain state and local taxes are not deductible on your federal return, Cullen said. These include liquor and cigarette taxes, and other items such as water taxes, hunting and fishing licenses and dog licenses.

The revenue act of 1964 generally denies the deduction of taxes for auto license fees. However, in California, license fees, less the $8 for sedans and $9 for station wagons, are a personal property tax and therefore deductible.

Federal taxes are not deductible on individual income tax returns.

Placer County Purchases Property at Tahoe City

The Placer County board of supervisors last week approved the spending of $3,350 to acquire the state-owned land adjacent to the county's administrative offices in Tahoe City. The action was recommended by J. E. Williams, county executive.

The adrenal glands have been known since 1663 but were then thought to be buffers to keep the kidneys from resting on the stomach.

cal score has been called "the greatest of all religious films." "Golgotha" has been approved by both Protestant and Catholic groups.

Easter Sunday, in the 11 a. m. Worship Service, the Rev. J. Harold Howard will speak on the subject, "All Things New." In the 7 o'clock evening service, also to be held in the Truckee location, there will be a special Easter evening program. This will include the music of the Resurrection, a film strip, "The Peace of Easter," and an impressive "Light for My Neighbor's Candle" ceremony.

Sierra Bible Church cordially invites the public to all the planned Easter services and activities.

KINGS BEACH METHODIST

Sunday—Worship services, 8, 9:30, 11. Rev. Marx will preach at the 8 and 11 services. Rev. John Dodson, campus minister at the University of Nevada, will preach at 9:30. The combined choirs of Truckee and Kings Beach will sing at the 8 and 9:30 services.

CHURCH OF THE MOUNTAINS

Sunday—Worship services, 9:30, 11. Rev. Marx will preach at the 9:30 service. Rev. John Dodson, campus minister at the University of Nevada, will preach at the 11 service. The combined choirs of Truckee and Kings Beach will sing at the 11 service.

The Lutherans and the Methodists are joining together on Good Friday, to provide the communities of Kings Beach and Truckee with a community Good Friday service. Rev. William Dowling, of the Christ the King Lutheran Church, and Rev. William Marx of the North Tahoe, High Sierra Methodist Parish, are planning a service to combine the two traditions in worship.

The organist at the Kings Beach service will be Mrs. Judy Ogden of the Lutheran Church, the organist at the Truckee service being Mrs. Winifred Edmunds of the Methodist Church. Rev. William Marx will be preaching on the theme of Good Friday, with Rev. Dowling leading in the service. All people in the area are invited to attend one of the two services.

SUMMIT SERVICES

A non sectarian informal Sunrise Easter Sunday service, with Rev. William Dowling of the Christ the King Lutheran Church of North Lake Tahoe giving the sermon, will be held for the first time at Boreal Ridge. Non skiers as well as skiers are welcome to the 7 a. m. service that is planned to become an annual event.

The location is at Castle Peak interchange, interstate highway 80. The ski lift at the resort will be open at 7:30 with breakfast at the lodge to follow.

UNITED CHURCH OF CHRIST

On Good Friday, April 8, a three hour service will be held from 12 noon until 3 p. m. Those who attend are able to enter and leave when necessary during the time.

Rev. Frank Evans will lead in the liturgy, the reading of scripture, prayers and meditation. Everyone is urged to attend worship on Good Friday in order to understand the true meaning of Easter.

The Easter Sunday schedule of services is as follows: Worship in the sanctuary at 7, 9 and 11 a. m. To be assured of a seat worshipers are urged to be present at least 10 minutes before the hour. There will be child care in the converse room during the worship hours with the Easter message interpreted on the children's level.

The Easter sermon will be entitled "On the Moving Edge of Time."

There will also be skiers services on Easter Sunday. At 10:30 a. m. to the right of the top of the east Broadway lift in Squaw Valley. And at 1:15 at the top of lift No. two at Alpine Meadows and at 2 p. m. at the top of lift No. three.

At 8 p. m. Easter Sunday evening, a special vesper service will be held for those unable to worship on Sunday morning.

FIRST BAPTIST CHURCH

"The Transforming Power of the Resurrection" will be the title of the Easter message to be delivered by the pastor, Bob Duffer, of the First Baptist Church of Truckee, at the 11 o'clock service.

Following the service there will be an add-a-dish dinner either at the church or at a local park depending upon the weather. Visitors will be invited to stay for the dinner.

ASSUMPTION CHURCH

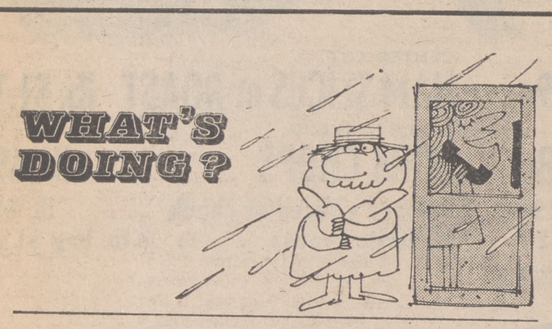
OUR LADY OF THE LAKE

Good Friday: Way of the Cross at 2:30 p. m. Easter Sunday: Masses at 8 and 11 a. m. Confessions Saturday from 2 to 4 p. m.

CHRISTIAN SCIENCE

The Christian Science Society of Truckee will hold its service at 11 a. m. Easter Sunday, with Sunday School at 9:30 a. m.

The title of the lesson on April 10 will be "Are Sin, Disease and Death Real."



FIGHT CANCER WITH A CHECKUP AND A CHECK

Telephone employees in the Tahoe Truckee Area endorse this year's theme of the American Cancer Society's Crusade. Won't you do your share to help stamp out this dread disease? Remember, cancer can strike anyone at any age.

• • •

On long distance calls outside your own numbering plan area it takes an Area Code to speed your call to the right part of the country. Area Codes for many places are listed in the front pages of your phone book. Add Area Codes to your personal out-of-town number list and you'll always have the complete "telephone address" handy.

• • •

We've all gotten a kick out of this story that made the rounds of the telephone office: A man being interviewed for a job was asked by the prospective employer if he'd ever done any public speaking. "I sure have," replied the applicant. "I once proposed to a girl over a rural party-line telephone!" Those were the good old days?

• • •

Crime doesn't pay. Certainly not if the criminal—one we read about—calls his wife long distance from the house he's robbing to say he's "working late!" When the homeowner received the charge on his phone bill, he informed police no one was home the date of the call. It was handier than fingerprints to check the number called for the thief's name and address!

Every mother wants to raise her family in a safe and friendly atmosphere

When the little hummingbird set up housekeeping in a Standard Oil refinery, she paid us a high compliment.

She didn't know that our Company had invested millions to remove smoke and vapors from the refinery atmosphere, but she found it highly compatible—and she's an expert judge of air. The refinery's human neighbors also benefit.

Clearing smoke and smog from the atmosphere of whole cities will be a more complex problem, but Standard Oil works for this, too—through research, joint efforts with public authorities, the loan of top scientists to pollution control projects in your community's interest.

Whether it's protecting natural resources, scenic areas and wild life... guarding water resources against pollution... or preventing contamination of the air in our busy cities... Standard Oil is dedicated to conservation—*an important part of our responsibility to you.*

P.S. The baby hummingbirds, born at our El Segundo, California, refinery, were as pretty as their mother.

Work Experience Funds Available At Local School

Joint efforts of the Placer County superintendent of schools office and county high school districts paid off this week with the approval of $61,218 in new federal monies. The superintendent of schools, Albert F. Bequette, announced that work experience programs have been given this shot in the arm under sections of the Vocational Education Act of 1963.

Approved to begin immediately and carrying through August 31, work study programs are to be conducted in Tahoe-Truckee High School, Colfax High School, Placer High School, Del Oro High School, Roseville High School, Oakmont High School and Lincoln High School. These programs are designed to provide work opportunities in school districts and other public agencies for vocationally oriented students who are in need of employment in order to continue their education.

Bequette states that for most districts, he feels this is but a beginning in work experience programs that will eventually broaden to reach the great majority of high school students as an integral part of their regular educational program.

$750,000 Slander Suit Filed in North Lake Case

AUBURN— A $750,000 slander suit has been filed here against the Crocker Citizens Bank of Kings Beach and its manager, Charles Boothby.

The action filed by attorneys representing George R. Campbell stated Boothby defamed Campbell.

MAY LEASE GYMS

SACRAMENTO —(CNS)— Attorney General Thomas C. Lynch has ruled that a public school district may not permit a private school to use its facilities for its phyical education programs but the facilities could be leased to the private school.

Las Vegas Duo Ask Gaming Permission At Cal-Neva Lodge

CARSON CITY— Two Las Vegas men have applied to the Nevada gaming commission for permission to operate Cal-Neva Lodge on Lake Tahoe's north shore at Crystal Bay during the summer tourist season.

The casino lost its gaming license three years ago in a controversy over a guest of the owner, Frank Sinatra. The entertainer still owns the property but the commission has allowed the club to open for the last two summers, with assurances that Sinatra had nothing to do with the gambling operation.

The pair seeking the 1966 summer license are Robert J. Peccole and Barney Perlman. They said they wanted to open the club July 1 with 13 table games and 168 slot machines. Their investment, they stated, would be about $300,000.

Motorists, if you are making your vacation lists, include paper bags for car litter and trash.

John T. Trauner, Veteran County Officer, Brings Experience, Economy in Conduct Of Local Governmental Business Affairs

JOHN T. TRAUNER

John T. (Tommy) Trauner is a native of Colorado. Born in Denver in 1923. He moved to Grass Valley in the early 1930's and is a graduate of local schools. He is a veteran of World War II having served for three and one half years in the European Theater of operations.

After his discharge from the army, Trauner worked for the State of California as an administrative officer through the adjutant generals office. He left this position in 1948 to become a deputy county clerk and auditor under the late Ralph Deeble. His primary function in that office was as clerk of the superior court and he became engrossed in the study of government and of law.

After serving in this capacity, in 1950 the board of supervisors promoted him to the position of Veterans Service Officer and he retained this position for a period of about six years. During his affiliation with the service office, he was instrumental in placing into effect some the programs that the World War II Veterans could take advantage of in the county. He was a member of the executive board of the California Service Officers' Association during his tenure in office and was active locally in the major veterans organizations.

Promoted by Board

In 1956, Trauner was promoted again by the board of supervisors to the position of county clerk and auditor. In this area, he served the public for a period of nine years. During his tenure in office as county clerk-auditor, he was instrumental in providing a more efficient service in both of the offices that he held. When he first took office there was practically no mechanization of any of the functions in either the auditor's office or the clerk's office. One of his first acts, in early 1957, was to convert the hand-posted set of books, that had been in effect in the county for many years, to a modern mechanized accounting program. At the same time he converted all of the welfare check writing procedures from the typewriter to an Addressograph unit that has been purchased four years earlier, but never used by the county. He placed this program into effect and immediately programed the voters registration onto the Addressograph machinery owned by the county.

Early in his tenure he appeared before the grand jury and requested their help in segregating school districts by vote of population and was instrumental in having the grand jury approve an expenditure to re-register persons, to identify them by school districts and was one of the first counties in the state able to provide a school district roster of voters. At the same time, Trauner worked to improve the accounting practices of the county both from a budgetary standpoint as well as a fiscal standpoint.

Saved Money

Prior to his entry into the department, it had been common practice for the County of Nevada to borrow money from local banks to tide them over the lean period, when tax monies were not available to them. Of course, recognizing the tax payers were paying interest on this money, he immediately set forth a program of fiscal responsibility to the board of supervisors, which would alleviate the need for such borrowing. The first year he was in office, the board borrowed money until he was able to provide the program and since that time, since 1957, there has never been a need for the county to resort to commercial loans.

For many years, the grand juries of the county felt that there needed to be a closer administrative liaison beteween the various departments of the county and between those departments and the board. To serve this purpose, the grand juries recommended for many years that the board consider the establishment of the appointed position of county controller.

In recognizing the many duties Trauner performed, as county clerk and county auditor, the board requested him to resign his duly elective position so that he in turn could accept the appointment as county controller, an administrative appointment of the board of supervisors. He agreed to this and resigned as county clerk and auditor in January 1965 and was immediately reappointed as county auditor-controller, a position he holds to his date.

In Nevada County, the position of controller is used as the administrative arm of the board of supervisors in providing them with the necessary studies and reports so that they can manage and plot the course of Nevada County. During his tenure as county controller, from February 1965 to the present date, he has been responsible for many recommendations to the board, all of which have been accepted.

Among these programs that he has put together and has presented to the board for their consideration is the centralization of some of the functions of county government into one unit rather than into many separate units. The creation of new departments as needs of government changed and the consolidation of other departments in an effort to save the taxpayers money. His latest project, that is being currently programed, and that has been approved by the board, is the installation of electronic data processing systems in the county, with the idea of utilizing the taxpayers' dollar to the greatest extent with an intended reduction in per capita cost of county government. The electronic data processing system will go into effect in Nevada County on June 1, 1966 and has been programed, in its entirety, by Trauner.

Among the other areas that he has been particularly active in, in our county government, is in the area of cost accounting programs designed, installed, and maintained in the county road department and the county hospital. It is interesting to note that the accounting system designed and installed in the county hospital has received National Hospital Administrative interest. After the system was designed and installed, Trauner was invited to be a facility speaker at the California Hospital Association meeting on hospital accounting for counties, and through that medium, his system was widely distributed and he received requests for copies of the program from Puerto Rico, the Virgin Islands, as well as across the United States. Some of these areas have installed his program in their own hospitals. It is particularly appropriate to realize that a small county designed a program that the state of Pennsylvania felt worthy of establishing in their state hospital system.

Reviews Budgets

Another area that Trauner has served the people and the county in is as budget review officer. In the past, the department heads presented their budgets to the board of supervisors and there was no additional information given to the board other than the presentation by the department head. After his appointment as county con-'roller, Trauner was given an order by the board that he was to be the budget review officer for the county and to review each departmental request and recommend upon it to the board. Utilizing proper budgeting techniques, he was able to present a budget to the board in June of 1965, saving the sum of $142,000 below the amounts requested by the various departments. This represented a considerable tax saving to the taxpayers of the county because of consolidation and new programing through his department.

Currently, Trauner has been given the assignment of coordinating the acitivities of the county hospital, the county welfare department, and the county health department under the new medicare bill and the California Medical Assistance Act. This program is tremendous in its scope and needed the trained administrative coordination that his providing it, to eliminate duplication by the departments involved in the administration of the program, as outlined in the law.

Highly Commended

It is interesting to note that during his tenure in office as an elected department head, since 1956, he has been commended by every grand jury representing the people of the county for his efficient and economical operation. During this same period of time, under state law, the board has engaged many professional auditors to come in and scrutinize the operation of the fiscal offices, and without exception Trauner's office was commended for efficient and economical operation during his tenure of office.

Recently, the state of California conducted an administrative review of the budgeting and accounting procedures in effect in Nevada County and under the direction of Trauner. The county has been given a superior rating by the state of California for its accounting procedures and a commendation for the excellent budget presentation to the board and to the people of this county. —Political Ad.

In addition to this award, Pfc Bate was selected as the honorman of his series. He also received a promotion to private first class during the graduation ceremonies.

Domergue Outlines "One-Stop Service" For 'Phone Patrons

A "one-stop service" plan for Truckee telephone customers on the move has gone into effect throughout the nation, Pacific Telephone Manager J. C. Domergue announced today.

Local phone customers now need only to make one call to disconnect their present service and arrange for service at their new location, he explained.

This arrangement, Domergue said, means customers no longer make separate calls to disconnect telephones at one plce and install them at a new address.

When a customer is moving from Truckee to Rye, New York, for example, the telephone business office here will offer the customer the "easy move plan" when he requests his service be discontinued. If the customer accepts the plan, his new address will be called to the business office in Rye. The office there will phone the customer to complete his request for telephone service.

The first time an entire official family attended church services with an incoming President was on January 20, 1953 after President Eisenhower was inaugurated.

Rabies Clinic For Tahoe Area Dogs Coming Up Soon

Dr. Gordon Seck, director of the Placer County health department, stated that a series of more than 20 rabies vaccination clinics for dogs will be conducted throughout the county in the next several weeks. The series will end with two in the Lake Tahoe area.

From 8:00 a.m. to 5:00 p.m. on Saturdav, May 18, the shots will be administered in Tahoe Citv. On June 4, from 10:00 a.m. to 2:00 p.m. the clinic will be conducted at the Kings Beach school bus garage. The series starts in Loomis April 16 and will touch most of the communities in the county by June 4.

These clinics will be sponsored by local veterinarians and will offer protection against rabies at a special reduced rate of $2 for each inoculation.

Such programs have been made mandatory by law in 1957 in those areas which a state-appointed committee declares to be rabies areas. This is the ninth year Placer County has been officially declared a rabies area, following confirmation that at least four rabid skunks were discovered in the jurisdiction last year.

To confine the infestation to a limited wildlife area and not permit it to get started in domestic dog population, it is mandatory all dogs be vaccinated. Dr. Seck strongly urges the public to take advantage of the clinics being offered this season.

Lowell Thomas Again Skiing in This District

Lowell Thomas, world famous war correspondent, traveler and film producer, was recently back in this region, with which he has over three decades of personal familiarity.

Skiing at Alpine Meadows and Heavenly Valley, Thomas continued his daily newscasts live from the area. He is well remembered in Truckee, where he broadcast on numerous occasions from the Southern Pacific depot, where a network studio was improvised.

North Lake Sewer Plan Gains Support

The first definite step toward bringing into being the controversial "Plan B" method of disposal of sewage from the north end of Lake Tahoe was taken last Wednesday in the California legislature. On March 30, Assemblyman Eugene Chappie, Cool Republican, introduced a bill providing $2.9 million in loans and grants to pump sewage away from the north end of the lake.

Eventually, a $40 million sewage system carrying effluent to Martis Valley for ultimate drainage into the Truckee river is contemplated.

Attracting some support downriver in Nevada—principally W. Wallace White, state health and welfare chief — "Plan B" is met with considerable "reservations" by spokesmen for the cities of Reno and Sparks, as well as Washoe County.

Sparks, particularly, has voiced concern the plan could result in pollution of the Truckee river, and has demanded safeguards to prevent it from happening.

The first step in North Tahoe out-of-basin disposal would simply carry effluent to the present Tahoe City disposal site—itself out of the basin.

The bill would provide a $896,000 loan and a $1 million grant to the North Lake Tahoe Public Utility District and a $655,000 loan combined with a $395,000 grant to the Tahoe City PUD.

Tahoe Hearings On Pollution Are Set

WASHINGTON, D. C.—Hearings on the pollution problems of Lake Tahoe will be held April 30, May 1 and 2 by the House of Representatives' Committee on Public Works.

The formal hearings will be held both days at the Tahoe Sands Motel at South Lake Tahoe. Richard Graves, chairman, Lake Tahoe Joint Study Committee seeking to work out a coordinated program of development of the Lake Tahoe basin, will coordinate the witness list.

Congressman Harold T. (Bizz) Johnson, representing the Lake Tahoe area, had requested the Congressional study in an effort "to explore all aspects of the serious pollution problems we have in the Tahoe basin."

The hearings will open at 10 a. m. Saturday, April 30 and continue into the afternoon. Sunday, May 1 will be spent on an inspection trip of the basin area, and the final day of testimony will be Monday, May 2, when the hearings will open at 9 a. m.

The congressman said local agencies are working diligently to overcome the pollution threats and the congressional hearings would explore the role which the federal government could play in this effort.

Representative John Blatnik of Minnesota, one of the most knowledgeable members of congress in the field of pollution control, will head the three man committee which will conduct the hearings. Blatnik was designated to hold the hearings by Congressman George Fallon of Maryland, chairman of the house committee on public works.

It is expected that local, state and federal agencies will participate in the hearings.

"All agencies of government, local, state and federal, must work together," Johnson said, "in order to solve basinwide problems of this magnitude."

As an example of this cooperation, Johnson cited the South Tahoe Public Utilities District program which has been developed as a result of cooperative studies. Key to the success of this is an application for federal economic development act funds.

As a member of the public works committee, Johnson was instrumental in drafting legislation designed to assist the Lake Tahoe area and is spearheading the federal efforts to assist through a multi-million dollar federal grant.

KINGS BEACH—Sophie Levra is home again after spending the past week in San Lorenzo where she and her grand niece, Lori Hall, celebrated their birth dates. The visit was most enjoyable with family and close friends. Many happy returns for the year are wished by local friends.

DRIVE CONTINUES FOR SWIM POOL

Last Friday a meeting was held at the Nevada County building to spearhead the second phase of the growing campaign for a high school community indoor heated swimming pool for the Truckee-Donner-North Lake Tahoe area.

During the past year Mrs. Kitty Money and her committee have been involved in the preliminary steps necessary to activate such a program. Contacting other communities with pools, inquiring into various foundations and conferring with local boards that would be directly involved in this project, were among the accomplishments of the committee.

Financing, programing, location, siz, etc., were discussed at the meeting, with Dr. and Mrs. Ed Wilkins being named program chairmen; Fred Hodder, finance chairman, and Randy Bobby, facility chairman. Mrs. Money will continue as co-ordinator of all groups.

Community support is an absolute necessity if this pool project is to become a reality. Interested persons are urged to attend the next meeting which will be held Tuesday, April 19th at 7:30 p. m. at the Nevada County building.

Casting Around Donner—What a beautiful weekend for the opening of trout season! During the night the ice shifted to the south shore line clearing most of the lake. Approximately 100 boats were out Saturday and most of them of them brought in limits of kokanee running about 11 inches. Some nice rainbow were taken off shore measuring 14 inches. The "macs" were really hitting but many of them were lost. Bob Bagon and Arthur Ball from Fallon, Nevada, were in luck landing five macs ranging in weight 15¾, 13¼, 13, 5 and 3 pounds. Quite a catch for one boat. Ernest LaVoie, from San Pablo, landed a 20 pound lunker and a 7 pound mac Saturday. Sunday he hooked on to two more but lost both of them when someone cut across his line. He also landed a huge rainbow and while baiting his hook for the next pass, it decided it wasn't for the frying pan and flipped out of the boat.

Well, anway, everyone had a good weekend and some good sunburns. Happy Easter.

EDGAR RICE BURROUGHS'

Tarzan

DO YOU DESERT OPAR, TARZAN, IN THIS TIME OF GREAT PERIL?!

NEVER, LA! THE ENEMY IS RETREATING!... I'M GOING TO MAKE IT PERMANENT!

WILL YOU RETURN, TARZAN?

ONLY IF THE ENEMY RETURNS, PRIESTESS LA!

I ALMOST WISH THEY WOULD, DEAR ONE!

AND I WOULD RATHER NIP THIS PLOT IN THE BUD!

A-A-I-I-E-E

?

WHAT DO YOU WANT?

I AM A FRIEND OF THE PEOPLE WHO LIVE IN THE CITY YOU WERE GOING TO ATTACK!

NO! NO!

4-17-1932

I WASN'T GOING TO ATTACK ANYTHING... I DIDN'T WANT ANY PART OF RAY TEAL'S SCHEME TO STEAL GOLD FROM THERE!

IN FACT, I WAS LEAVING!... HE CAN HAVE WHATEVER HE GETS!

ALL HE GOT WAS A BURIAL PLOT!

STRANGE as it seems — ELSIE HIX

SULGRAVE MANOR-- Northamptonshire, Eng., ANCESTRAL HOME OF GEORGE WASHINGTON, WAS PURCHASED BY THE BRITISH GOVERNMENT IN 1914 TO CELEBRATE 100 YEARS OF PEACE WITH THE UNITED STATES!

THE GREAT HORNED OWL, ALTHOUGH SMALLER, AT TIMES TAKES OVER AND EVICTS THE BALD EAGLE FROM ITS NEST!

EASTER SEALS — HELP CRIPPLED CHILDREN

BEETHOVEN BEFORE THE AGE OF 50 WAS TOTALLY DEAF AND COMPOSED MANY OF HIS GREATEST WORKS WITHOUT EVER BEING ABLE TO HEAR THEM!

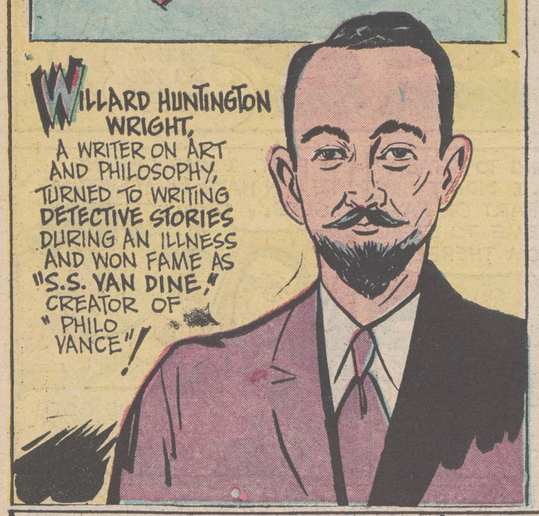
A MAN'S SENSE OF SMELL IS A THOUSAND TIMES MORE SENSITIVE THAN IS HIS SENSE OF TASTE!

A PORTRAIT OF HENRY VIII, AMONG GIFTS GIVEN TO THE KING OF BORNEO BY PORTUGUESE, SO FRIGHTENED THE RULER THAT HE REFUSED TO TRADE WITH THEM!

WILLARD HUNTINGTON WRIGHT, A WRITER ON ART AND PHILOSOPHY, TURNED TO WRITING DETECTIVE STORIES DURING AN ILLNESS AND WON FAME AS "S.S. VAN DINE," CREATOR OF "PHILO VANCE"!



SPONGES HAVE BEEN USED BY MAN SINCE PREHISTORIC TIMES FOR MANY DIFFERENT USES!

The CAPTAIN and the KIDS

LISTEN, ALPHIE, IF YOU VENUS FELLERS ISS SO SMART, DO SUMT'ING ABOUDT DEM DOD-GASTED KIDS!

TUT-TUT, CAPTAIN! YOU HAVE A LIMITED VIEW OF THE SITUATION...

YOUR MAIN PROBLEM WITH THE BOYS, SIR, IS YOUR LACK OF EMOTIONAL CONTROL! YOU MUST LEARN TO CURB YOUR TEMPER.... BE ABOVE IT ALL!

SO... HOW DO VE DO IT?

FIRST, THE PIE TEST!

SPLOP!

NOW, TEMPER, TEMPER! RESIST THAT IMPULSE! PAUSE... THINK... RELAX! THAT'S IT!

NEXT... THE HOSE TEST!

STAY CALM, DETACHED! BREATHE DEEPLY, COUNT TO TEN! REMEMBER, YOU DO NOT PROVOKE!

I-M-M-M-M-M GNNNN

?

CONGRATULATIONS! YOU DID IT! YOU HAVE ACHEIVED TOTAL CONTROL! NOW, ONE MORE PIE TEST TO CLINCH IT!

BUT I FEEL SO SILLY!

SILLY AIN'T DER VORD! HAW! HAW!

JUST A MOMENTARY LAPSE, CAPTAIN! COMMON AMONG BEGINNERS! DON'T GIVE UP!

NOT A CHANCE! MIT DOT HORSE LAFF DER CONTROL ISS NIX!
